WELFARE AND SELF-RELIANCE RESOURCE TRAINING

The Church offers a comprehensive array of welfare, employment and self-reliance services and resources. The trainings listed below will provide you an overview or refresher of available resources. New leaders or those desiring a refresher should plan to participate in one of these four training dates. Counselors would also be welcome to participate. For help in accessing these resources, you can also reach out to Brother Doug Bassett (High Council) or Jesse and Ann Adamson - Stake Welfare and Self-Reliance Specialists.

Letter from our Regional Director:

With the consent of Elder Richard Heaton, stake and ward leaders in the Alpine, Cedar Hills, Draper Suncrest, Highland, and Pleasant Grove Manila/Manila Creek areas are invited to participate in this quarterly training on Welfare & Self-Reliance Resources. Both new leaders and leaders in ongoing service are invited to attend. The training will include expert instruction, Q&A sessions, and breakout groups. The content will be repeated once each quarter during 2021 – leaders are welcome to attend as often as they would like.

Please note: Attendance at this training is optional.
